

# Lofa County Community College

Voinama City  
Republic of Liberia

## Job Vacancy

At the LCCC, we develop pre-eminent students in Nursing Education, Research, and Clinical Practice. As a catalyst for creativity and collaboration, we engage diverse groups of students, organizations, and communities in addressing local, national, and global health priorities. The LCCC is therefore in search of a qualified and well-motivated Instructor to form part of its Health Science Program.

### **The Instructor will undertake the following tasks:**

- Standards and Curriculum;
- Each semester, plans and facilitates two orientations addressing the clinical practicum;
- Upgrade the learning materials and curriculum to align with standards, building upon the existing qualifications and curriculum framework;
- Update learning materials to increase relevance and quality, including the application of competency-based training approaches;
- Review curriculum frameworks to ensure that they include module descriptors, teaching resources, learner workbooks, alignment with standards and assessment tasks, module scheduling and classroom/workshop organization
- Plans – including equipment and materials lists for each module;
- Develop an 'on the job training' module in each program with a learner workbook, projects and assessment tools to be completed by students and host employers;
- Prepare and submit course kit to Bookstore/Library.

### **Requirements:**

- Bachelor of Science Degree in Nursing & Clinical Practice (BSN);
- 3+ years experience in similar capacities;
- Curriculum studies;
- Management of Nursing training functions;
- Development studies; Professional Development; and
- Research Methods.

All applications should be sent to [zaggray@lccc-edu.org](mailto:zaggray@lccc-edu.org) and Cc: [tolufade@lccc-edu.org](mailto:tolufade@lccc-edu.org) . Please indicate in the subject line of the email: "Instructor - School of Nursing."

### **Closing Date:**

**Thursday, January 15, 2015 - 16:00**
